BY REVIEW LEASED WIRE

NEW YORK, Oct. 27.—There were indications in today's trading, the broadest and most active since Monday, of a revival of public interest, that element having been conspicuously lacking for almost a fortnight. Sentiment seemed to be more hopeful regarding coming events, the assured success of the new British loan proving a powerful stimulant.

There were numerous new records Bethlehem Steel leading on its further rise of eight points to 650. Other striking gains and new maximums were Atlantic Gulf and West Indies, which rose 9% to 104%. Utah Copper 4% to 106; Cuba Cane Sugar 2% to 25%; Central Leather 4 to 99%; American Writing Paper preferred 2% to 48 and Consolidated Gas of Baltimore 2 to 126. Further advances of one to four points were registered by the non-dividend rails. Rock Island was again a strong feature, remaining much of yesterday's decline but yielding at the close. Cuban American Sugar rose ten cents.

Recessions of fractions to over a point set in on realizing during the last hour but copper moved contrarily under leadership of Utah. Steel yielded a full point but closed at a net gain of almost that much. Total sales of stocks amounted to 1,250,000 shares.

No material alteration was shown by foreign exchange rates, receipt of another large consignment of British gold leaving sterling bills unchanged. Bonds were more steady on reduced offerings of international issues. Total sales, par value, \$6,470,000. U. S. bonds were unchanged on call.

METAL MARKET

NEW YORK, Oct. 27.—Lead 7 at 7.10; spelter quiet; spot East St. Low is delivery 10 at 10.4. Copper firm; electrolytic first quarter 27.50 at 28 Bar silver 67%.

CHICAGO GRAIN.

CHICAGO, Oct. 27.—In a surprising burst of strength today, the wheat market excelled all recent high prices records. Traders were largely influenced by assertions that exporters and foreign governments had obtained ownership of the bulk of the session, December at 1.86 to 1% and May at 1.84 to 1%, with the market as a whole 3 to 5% above yesterday's average finish. Other gains were corn 7% and active gains in provisions of 10 to 70c.

Reports of a sharp naval encounter in the English channel seemed at one time likely to put a stop to the upward swing of prices but the effect proved to be mostly transient. At the closing going the ascent was still in progress and in some cases showed at the last a jump of 8% from the low point of yesterday.

All records in nearly 50 years for high prices of corn were smashed today, No. 2 yellow selling here at \$1.10 a bushel. This price has not been surpassed since 1867, when the apex was \$1.12. The strength of wheat was mainly responsible for the upturn in corn. Oats moved up with other cereals, although shipments east are restricted by the car shortage. Provisions mounted to the highest level since 1870. Packing interests were active buyers and there was a notable scarcity of offerings, especially of lard.

(By L. J. Overlock)

NEW YORK, Oct. 27.—With exception of few specialties market opened about unchanged. Ind Alcohol featured in the industrial department, selling up to 148%.

The copper shares were sluggish until midday when a rally started led by Utah Copper which scored a new high record of 105%. Many of the minor rails are favored on account of the substantial earnings but opportunity should not be neglected of keeping fair profits, for the reason in many cases the rise is largely speculative.

MISSISSIPPI FOOTBALL

GAME ENDS IN FIGHT JACKSON, Miss., Oct. 27.—A fight in which players on both sides and more than a hundred spectators participated, broke up the Tulane-Mississippi College game here today shortly after the fourth period had started. The game was called as soon as the police could restore quiet and the official score keeper declared Tulane the victor, 13 to 3. No one was seriously hurt.

WILLIAM RUSSELL AT ORPHEUM IN MUTUAL PLAY OF EMOTIONS

"The Torchbearer" Is Name of Latest Mutual Masterpiece. Famous Film Actor Is at His Best in This Picture.

As John Huntley Knox—the aristocratic news—paper owner in Arthur H. Gooden's unusual story, "The Torch Bearer," which appears today and tomorrow at the Orpheum, the popular star, William Russell, gives a convincing interpretation of one of the most interesting roles he has been called upon to create in his long and successful career as an actor. Knox comes of a blue-blooded family living in the Back Bay section of Boston. With him live his aristocratic mother and sister. Aided by Wendell, a reformed district attorney, Knox uses the columns of his paper to war on corrupt politics and is fearlessly indifferent to the threats of the gang of desperate politicians who do all in their power to "get him." An absorbing plot develops around Knox due to the mysterious murder of an enemy of his father's and the claim by his political opponents that he is the son of the murderer. The clearing up of the mystery amid the exciting scenes of a great election with its monster parades and surging crowds bring this powerful political drama to a thrilling climax, while a fascinating love affair between Knox and a beautiful Western heiress, who helps him clear his father's name, adds beautiful heart-interest to the story.

In the splendid supporting cast to William Russell and his talented leading lady, Charlotte Burton and Harry Keenan, Allan Forrest, Nate Watt, Marie Van Tassel and Margaret Nichols.

TO R. ALLYN LEWIS

NEW YORK, Oct. 27.—In a record turnover for the year, curb stocks in the closing hour yesterday displayed unusual strength with Midvale up to 70%, an overnight improvement of 33.8 points.

Magma Copper was influenced by further reports of important underground developments, though it is impossible to determine the value of the strike. The stock advanced to 35%, the highest at which it has ever sold and a net gain of more than seven points. At its top price the stock represents an improvement of more than 100 percent in the last week.

PHOENIX, Oct. 27.—Magma cut in to 35-foot of 60 percent ore on 1500 level. Have not found walls yet. Phenomenal strike.

OFFER OF LEGALISTS DENIED BY RIVERA

(By Review Leased Wire) TUCSON, Oct. 27.—General Sant-ano Rivera reported yesterday as having appointed the Legalists governor of Sonora by Felix Diaz, today denied that he had received such appointment and characterized the story as an attempt to get him into trouble with his bondsmen, who have supplied a \$5,000 cash bond to guarantee his appearance in the United States district court here next spring to answer to a charge of violating the Mann act.

General Rivera who since his release on bond has published a weekly paper, "El Combate" admits his sympathy for the Legalists movement but denies active participation in it.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months. I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health.

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

At all druggists.

"SPORTING BLOOD" AT ROYAL THEATRE

Fox Feature with Dorothy Bernard Is Classic of Wonderful Race Track Film.

All the excitement of the race-track runs through William Fox's new photoplay of the turf "Sporting Blood." This feature comes to the Royal to-day and tomorrow. The story deals with the plot of two persons, a man and a woman, against the gambler who has tried to ruin their lives. In the end they are successful, but not until they have gone through many adventures to gain their purpose.

Dorothy Bernard and Glen White are the stars of this new picture. Miss Bernard plays the part of Mary Ballard, whose brother has been ruined through the manipulations of Dave Garrison (De Witt C. Jennings), notorious figure on the turf and in gambling houses. Mr. White plays Jim Riddle, who has his sister's score to settle with Garrison.

Riddle and Mary combine to revenge themselves on the racing king. Garrison becomes infatuated with Mary, and she, realizing his intentions says: "If I'm worth winning, play the game."

Then she bets herself against \$10,000 that Shooting Star, Garrison's horse, will not win. She has her own horse at home, Bay Belle, which resembles Shooting Star closely. By clever manipulation, she manages to change the two horses, runs Bay Belle as Garrison's horse, and Shooting Star as her own.

The result is that the horse running for the girl wins. Garrison is ruined, and forced to leave the turf forever. Mary and Jim Riddle are successful.
